

# Full Service Ordering Information

## **Menu Prices**

CJCC menus are priced per person and include disposable service ware. While CJCC strives to insure accuracy, we reserve the right to correct any errors in pricing or descriptions and to cancel or to refuse to accept any order based on incorrect price or description. Prices are subject to change without notice based on market conditions.

## **Full-Service Events**

Our serving personnel will do everything required to create the perfect event from start to finish, so that you can focus on your event. A delivery charge maybe be added to any event demed outside our "standard" delivery area.

## **Event Staff Rates**

Captain	\$28/hr
Event Staff	\$24/hr
Bartender	\$30/hr
Catering Chef	\$30/hr
Culinary Assistant	\$24/hr

Event staff hours will be charged based on your specific event details. Most events require a two hour setup and a one hour clean up in addition to your actual event time.

CJCC will not process any orders without a signed event agreement and a 50% deposit paid in advance of the event.

## **Rental Equipment**

We are happy to make arrangements for you with vendors for items like rental equipment and flowers. We charge a fee for this service equal to 20% of the invoice from the vendor(s) used for your event.

If you prefer to make your own equipment and services arrangements, here are a few vendors with whom we have worked who have excellent reputations in the industry.
