With Gratitude...

The Lord's Place is so grateful for the generosity received from this community over the past few months. Wrapped and unwrapped gifts, toiletry items, food, gift cards and donations came in for all of our clients - and it truly was a blessed and happy holiday! Thank you to everyone who gave, and still continues to give throughout the year!

Why We Need Burckle Place West..

My name is Karyn,

and I was a resident and graduate of Burckle Place, and hope to be a resident of Burckle Place West.

Burckle Place West is an opportunity for me to live independently, within my means and save money to hopefully purchase a home of my own next year. Living in a place where you are safe and can be at peace due to the support, comfort and personal feeling of accomplishment cannot be measured in any way.

This residence is a gift to any woman who needs a home that she can care for, afford, and take refuge and feel at peace.

The Lord's Place Named a Best Place to Work!

The Lord's Place has been named among the "Best Places to Work in South Florida" by the *South Florida Business Journal*.

The agency, represented by a cross section of its employees, will be honored with this award at a lunch celebration Feb. 16 in Davie.

The Lord's Place was only one of 15 medium sized companies with 50-99 employees to win this coveted designation, which is based on the results of confidential surveys of company employees' attitudes about their workplace. The Lord's Place is also the only non-profit business to receive this award in South Florida.

"We are very proud to have been honored in this way," said Chief Human Resources Officer Jan Phillips. "We work diligently to meet the needs of our employees who devote themselves to serving the needs of the homeless."

Previously, The Lord's Place has twice earned the designation of one of the "Best Companies to Work For Florida" by *Florida Trend Magazine*.
