# Planned gifts are the catalysts of change

*Join a circle of friends who all believe in making long-term commitments that have the ability to change an agency and truly make an impact.*

By making a planned gift, your legacy will be formally recognized in our front hall, and in the hearts of our clients.

*As a trusted social impact agency serving 1,500 clients a year and consistently receiving four stars from Charity Navigator –  
The Lord's Place strives to break down barriers and get to the root of homelessness.*

By being a part of the **Legacy Circle**, you will also be invited to our annual update event held on Palm Beach in December, and recognized in our annual report.
