

Celebrations are in order!

July 2018

Graduation Celebration!

Clients and staff gathered recently to celebrate the graduation of our students! Clients were awarded certificates for their achievements in job ready, culinary, retail apprenticeship, and more. Staff spoke highly of the clients, praising them for their hard work and determination, and clients spoke from their hearts, expressing gratitude and goals, and cheering for each other's accomplishments. It was also a moment for hugs, as some clients were graduating and leaving for new jobs and new beginnings. It is moments like these that are an ever-present reminder of why we work so hard to help our clients - we love to see them succeed! Congratulations to them all!

The Lord's Place is in the Top 5%!

We did it again! The Lord's Place has, for the seventh consecutive year, attained the coveted 4-star rating from Charity Navigator for demonstrating strong financial health and commitment to accountability and transparency. This is its highest possible rating and verifies The Lord's Place exceeds industry standards and outperforms most charities in its area of work. ***Only 5% of charities in America have received at least 6 consecutive 4-star evaluations.***

Donor Spotlight

Edward and Jewel Marvin were married for more than 25 years, and were always charitably inclined. But when Jewel became ill, they made a decision that would change the lives of thousands of people, in Jewel's memory. On December 25, 2017, Jewel passed away, but Edward would do something special to allow her to live

on. Edward made a very generous gift to twenty agencies, The Lord's Place being one of the grateful benefactors. A plaque will be hung in her memory for all to see, as this gift will transform lives. Planned gifts are such a special way for someone to live on, and The Lord's Place has created a Legacy Society for just this reason.
