WE ARE SO THANKFUL!

Cornelia Thornburgh is The Lord's Place Board of Directors Chair. She and her husband, Richard, want to share why they are so passionate about The Lord's Place and what inspired them to become matching donors.

As a reminder, because the community challenge was met, **this virtual event is available to everyone at no cost**, including our clients!

Please invite friends and family to be a part of this special morning as we share the **Turning Point** stories of overcoming obstacles, breaking down barriers, and emerging stronger.
