

## Let our clients' stories be your Turning Point

The Ending Homelessness Breakfast is **THIS THURSDAY** and we cannot wait to share the unbelievable stories of *perseverance, dedication, and strength* with you.

The clients you will meet have worked tirelessly to break their cycles of homelessness and achieve a life of self-sufficiency. Their stories will make you laugh, cry, and rejoice in their success, changing the way you see the world.

## Meet our producer, and learn why she is a part of the Turning Point Match!

**Mrs. Leesa Gordon**, head of Just Peachy Films, is an Emmy-nominated Writer-Producer, a 7-time national Telly Award winner, and her work has appeared nationally on PBS stations. In 2017, she was the winner of the Ending Homelessness Breakfast Unsung Hero Award. Over the last 10 years, Leesa has donated her time and talent to produce most of our videos, and this year, Leesa

and her husband, Bob Gordon, felt driven to support The Lord's Place by donating to the Tuning Point Match. Learn why in this video.
