

Burckle Place III

Burckle Place III started construction in November 2022, and is The Lord's Place's fourth supportive housing facility for women that will house 21 women experiencing homelessness. The site will offer an intergenerational cohousing model that seeks to address the rise in senior homelessness by prioritizing 50 percent of units to women ages 55 and over. With this site opening its doors in 2023, Burckle Campus, consisting of Burckle Place, Burckle Place West and Burckle Place III, will serve approximately 75 women a year.
