

Current Volunteer Opportunities:

Fortin family Campus- The Lord's Place Headquarters at 2808 N Australian Avenue

- **Café Joshua**- Serves hot meals every **weekday from 11 a.m. to 1 p.m.** to our currently homeless clients. We are in need of volunteers to greet clients, take orders, and serve food, as the Café is restaurant style. We also are in need of volunteers to serve as table companions, which involves sitting and talking with clients who may be eating alone, to provide companionship and support.
- **Resource Closet Organizer**- The resource closet is stocked with clothing, shoes, toiletries, and other needs, and is available for our currently homeless clients to utilize. This volunteer would help sort donations and keep the closet tidy, as well as help clients “shop” for things they need.
- **Literacy Program**- This volunteer would engage in individual tutoring sessions with our clients who are looking to improve their skills to seek a GED or employment. The schedule for this position is flexible. Volunteers with experience teaching or tutoring are preferred.
- **Front Desk**- This volunteer would assist our office manager at the front desk by greeting clients and donors as they come in, answering phones, and other light administrative duties such as scanning and filing.

Special Events: We are seeking volunteers to organize events for holidays and special times, including decorating and planning, as well as individual volunteers or groups to sponsor outings for our clients. These would involve taking small groups of clients to dinner, a movie, a museum, or anywhere that would broaden their horizons or simply be fun! We also have fundraising events that we seek help with throughout the year.

Housing Campuses:

- **Seminars/Workshops** - Financial literacy, cooking, sewing, organizational skills, maintaining a household, computer skills, self-esteem, trauma counseling, and other miscellaneous life skills. These can be done one-on-one or in a small group setting.
- **Arts and Crafts**- Engaging clients in fun activities where they can socialize as well as have fun.
- **Body Care** - Haircuts & manicures.

Thank you for choosing The Lord's Place!
